

Better on You Inc. Consignment Contract

*New Policy Effective Sept 01. 2010

It is agreed between the consignee Better On You and the consignor, hereto as follows:

Consignors will receive 40% of the final selling price, with a \$1 handling fee for each item that will be put in inventory as of Sept 1 2010. The selling price on consignment items will be determined by Better On You. Exceptions may be made for higher-end labels- you must inform the owner of price concerns at time of drop off.

If you need the owner to go through your items, she will be available Tuesdays, Wednesdays from 2 - 5 P.M. Otherwise items can be dropped off Sunday-Thursday from Noon-4 P.M. Any items that require any work (i.e. ironing, dry cleaning, washing, etc.) the consignor will be charged accordingly without notice. A service charge of \$10 per bag will be applied when a garbage bag of unsorted items is dropped off. To help you get your clothes on the floor faster the items must be on hangers at the time of drop off.

Consignments expire after 3 months. Price reductions on all items are made on a regular basis. Better On You also reserve the right to hold promotional sales with reduced prices.

Unsold/unsuitable items will be donated to charity upon expiry. If you wish to pick up any items that are unsuitable or unsold, you must agree that you will be responsible for picking up these unsuitable or unsold items 2 days before the expiry date.

Consignors are responsible for checking their own account balances. Balances of less than \$20.00 prior to expiration can be used as store credit. Balances over \$20 can be picked up anytime. Accounts left dormant from one year of last active date or longer are considered paid out.

We take every precaution in protecting consignment articles. Better On You will not be held responsible for lost, damaged or stolen articles.
